VOTING NOW OPEN FOR THE PROCESS EXPO INNOVATIONS SHOWCASE PEOPLE'S CHOICE AWARDS

McLean, VA, September 19, 2019 — Dozens of exhibiting companies participating in next month's PROCESS EXPO submitted new products to be considered for the Innovations Showcase People's Choice Award. Several editors from leading industry publications identified the finalists in each of the six categories and now attendees have the opportunity to select the winners which will be showcased at the event, taking place October 8–11 at McCormick Place in Chicago. Attendees can click [here](#) to vote and enter their email address for a chance to win a Google Home, which will be awarded before 5:00 pm on Thursday, October 10.

On Tuesday, October 8 at 2:00 pm, each of the 17 finalists will present to a select panel of food processor judges who will also vote for the Most Innovative Products. Attendees of PROCESS EXPO are invited to the presentations and will also be invited to judge all entries and enter their vote for the People's Choice Award. Voting ends at 3:00 pm on Thursday, October 10. For the schedule of presentations, [click here](#).

"We appreciate the assistance of editors from *National Provisioner*, *Prepared Foods*, *Food Processing*, *Snack Food & Wholesale Bakery*, *BAKERpedia*, *Food in Canada*, *Dairy Foods*, *Dairy Reporter*, and others who helped us judge the products and identify the finalists," said Jarrod McCarroll, Chairman of the Food Processing Suppliers Association (FPSA) and President of Weber, Inc. "Now we invite our attendees to participate in the judging process by voting for the most innovative product in the People's Choice Award."

The Food Processing Suppliers Association ([FPSA](#)) is a global trade association serving suppliers in the food and beverage industries. The Association's programs and services support member's success by providing assistance in marketing their products and services, overall improvement in key business practices and many opportunities to network among industry colleagues. Programs and services to achieve these objectives include PROCESS EXPO (industry leading trade show), electronic media marketing, education, market intelligence, research, and advocacy of critical industry issues such as food safety, sanitary design of equipment, and global trade.

FPSA members are organized in vertical industry councils which focus on specific needs and concerns that are unique to each industry sector. FPSA councils currently represent the [Bakery](#), [Beverage](#), [Dairy](#), [Pet Food](#), [Prepared Foods](#), and [Meat](#) sectors.
